1. How does your conception of the way of “righteousness based on faith” differ from a legalistic “righteousness”? Does it have the feel of the “nearness” of Christ or is it, in your mind, a challenging and difficult thing?
2. Does your understanding of faith correspond to a biblical understanding? Think about the three elements of faith described in the sermon—notitia (knowledge), assensus (agreement), and fiducia (trust). How do these help you understand your own experience?
3. What form of “hearing” the gospel awakened faith in you?
4. What role do you see yourself playing in the sequence represented in verses 14 & 15?
