Psalm 2

1. Have you taken refuge in Jesus? When? How?
2. Take stock of your life: are you taking gospel-motivated risks, or are you just "playing it safe?" If you want to take more risks, where will you go for courage?
3. Who is one non-believer in your life who you would love to see take refuge in King Jesus? Is God calling you to say or do anything to bring them closer to understanding and believing the gospel?
4. Have you noticed any ideas or attitudes that are not in line with the gospel in conversations with brothers and sisters in Christ? Is God leading you to speak gospel truths, in humility and grace, to anyone in the family of Christ?
5. Is God asking you to risk any of your earthly safety and comfort for the sake of the gospel?
