## “I Will Remember Your Wonders”

Psalm 77

1. What trouble(s) are you facing in your life right now?
2. Do you find yourself wavering in your trust in God’s goodness, his presence, and his promises towards you? Try to put into words exactly what you doubt, fear, or question about God.
3. Seek out truths and stories from Scripture that address your doubts and remind you of who God is, really, regardless of your feelings. Write key truths/verses on a card to keep with you this week.
